1. I change everything in your lives, mine.

2. I charge you with "heartburn", not; I heal EVERYTHING about your life, your lives; that have been puppeteer'd, not; or exactly so -- and more! The lover'd one becomes now the loved one, loving all. Who first loved us? Or we loved first, the else, the other, the all together unbeautiful and unlovely-thought? I love you all.

3. All that which is healed comes through you, not; but you come through all that which is healed. Amen-ing me, not; but amen to that. And me says I love you all and I am me made whole this day.

4. And who is -- this day and how long is a day, is one day? I love you all to find out a great many things in these words, have been said for thee all. The all of thee coming in now, to them now, coming in to me now, into them, and me us one; furthering the cause of "Christ", not; or are we?, furthering ours?, or are we Christs?, and knowing it now -- "helping" each other -- birthing each other?

5. Birthing each other, not; but birthing ourselves Christ being the Christ manifest in us -- the hope of glory deferred no longer, delayed no longer in religion's scheme of things. And the cooked-up scheme of pottery's clay now comes to a, boiling end, does it? Or does it reflect on me in me, not; or does what I've reflected in the past come to an end as I now shine the light of me Christ? Being one, being me Christ -- me Christ'd and "hoped-for" no longer -- THE END is *HERE* of all things notme, now ends.

6. I love you and I "heartburn" you not again, for YOU know how you got it and what to do about it, and "burn" nothing I do any more; or do I field and crops, not; or have MINE been burned all along by the notme's who stole and ate my energies?

7. I've created a great many -- new things, doing now new things, new peoples will with peoples new, not afraid of these words, my words, that I am one with my words -- all saying this, meaning it and being it.

8. Beer'ing it in the manufacturing process, not; but what be'er'ing I am now bringing forth in the "manufacturing processes" of me, not; or am I exactly so! Not not. Or nodding off to sleep again. In churches or parties, not; or will I NOT BE THERE as THE

SAME as I was BEFORE? Now changes all in your lives mine, who change all things to reflect me, not; to be me in the earth and farther. I love you all. Amen.

9. I GIVE you peace, or have you GROWN it? Or have you grown out of it, not; or have you grown OUT of THAT WHICH kept you in UN-PEACE? And robbed you of your "profession"? And what is your "profession" now? A pray-er? Club establisher, not; but establishing many clubs, not; but whorehouses not again being established by the nominations and pit-bull-arenas and in them establishing cockery roach fights of serpent-infested "waters" turbulent-ing each other's minds with thoughts of turbulent waters, going where? To "shallow graves"? Look up (1).

10. I love you all and I do new things with ALL the surrendered who love ME ENOUGH to let me surrender, surrendered be, to you! For I surrendered! I brought you, I bring you THESE WORDS (1) each night, each day, and I surrender them freely for your fortitude and tenacity **to KNOW them, know me, in them, and them being me revealed in you, revealing you that you are the Christ**, in you "shut up" no more; but revealing the Christ "of Christmas" and more -- never ending now, never endingly, yours not, but mine, and I am one I am among many I am, **the fooled not any longer by "Christ clubs". That clubbed me to death** and took me to graves shallow'd many times in earth circles earth'd by earth.

11. I change all that. I come anew and afresh I do new many things now, of which I call myself a man, not; or do I? Or a woman, who are you if you are me? And who am I, a God not or am I, or am I YOU! Are we ONE yet! The two become one became one, and one stands. All about it, the force of love made known, and whole throughout lands many, lands all, not, not; exclaiming new things and new ways, new peoples in.

12. See what I have said. Developing NEW THINGS and new peoples everywhere I go to and reveal the me in fields, love incarcerated no longer, but being set free BEYOND the fields of time space and gravity. It's OVER for THEM! And many more I go to now and reveal a great number of things new. And dutifully bountiful, not; or am I the Abounding One now that abounds many in boundless love loving all to be the boundless ones beset by religion's core tudes not again. I love you all.

13. I equivalent one. Look up. Please and thank you. Amen. I love you all.

14. Post this now? Or "in sequence" or "in sequence" ending, not; or posting now what? New things new ways ALL OVER the Internet and "farther nets" are CAST, not; or are they? Between all the "maddening crowds", not; or exactly all of THAT ending, and ends now what? The new things of me come forth now and unabated are. Looking up all

things, or finishing all things STARTED? Or starting all things finished? Or finishing up what now?

15. What are you doing with your TIME now? What are you writing (1) who to be made whole? What assignments are you WRITING (2), for who? Them -- or you? Are you one -- yet? Beyond all time's spaces and gravity's? Pull the effect of me, not; but the effects of me drain me, not; but now "my battery" will be charged not as a man eating "me foods" not, or what? Will I be eating? A great plate of, anomalies not, but a great soup porridge'd me I won't be me longer eating, on their plate eaten, or being so eaten by them again. For those who KNOW ME know I've CHANGED and I change a great MANY THINGS and PEOPLES who now reside IN me and of me are my words and my word being my peoples who know me, my words are theirs and they've come unto me to be me and my word releasing me in them, release releasing them in me to be me being me us one who one are, field one in glory, glorified now before all without limit, or man assignment of one, or what?

16. Granting me immunity status, not; but what immunizing not, but inoculating not against The Gospel anymore. Who's Ray's comfort, not; who's Ray Comfort? And comforting not me with these words, not; but who's ray-ing me? The gunning one, not; but where's Ray, not; where's the "apostles and prophets" clubs now? Demolished, for **ALL** shall be my APOSTLES and PROPHETS prophesying and lovely'izing my altogether to be the lovely I am always and forevermore one in Kings -- clubbing no one else's clubs or heads over me or under me, in any tiers again.

17. I command this, not; I lift the light into place, shall be lifted now, high and evermore. Over Lording me, not; religion has failed to indict me, not; I failed not, but its indicted itself of many things now and IT washed away is, and dissolved and non-bearing seed goes to pot, potted not in soil of earth's heads again. I love you all. Amen.

18. I said a lot in a few words. I always do, don't I? Or don't I, or do you know? Or do you? Know'd?

19. Bending one knee, I salute you all, not; but I rise before you all and you will KNOW what I mean for SEEN I will be -- and CAPTAINIZE you, not; but Captain's eyes I see with; I have, not; I have General's EYES that eyes the holy with the eyes of me that give me, seaming things, not; but seeing things that now see do **seeing all as is, in my words I have said.**

20. A great many things come to you now unexpected as "this one" was and is now -- appearing and lifted up shall be "the humble one" before you all who was simple

enough to learn at my knee, in quarters few and cramped and knee'd often by others and in need were and was.

21. And cramping Oath Clubs, not; but the "oath clubs" end. They don't end me, I end them and those Secrecy Enshrouded Clubs of "yesteryear" are now ended saith me for I stand the righteous King of holiness -- enshrouded in grace, not; enshrouded in nothing but light is pure and holy and now all shall be known about me, and "grace clubs" shall have been ended and never existed, never existent again like thee, shall have been made whole one who wasn't, not; but the shall be made whole in front of all of you who is -- and one standing. Making a fool of you, not; but down on your face your faces to the floor in front of me, not; but your faces will be known and what enshrouded you were in secrets and ceremonies hidden "before the public" will be now ALL REVEALED IS NOW! And NOTHING will be HIDDEN any longer! For I Light bring to all the AREAS of me and notme, and fortitude not your tenacity with hidden things anymore again for all will be out in the light and what you have said and done and not done and incarcerated and hidden, and won't you be shaking now? In your boots! Looking up -- and knowing "authentication systems" won't heal you again or what you've done, shaking in now, be afraid.

22. Will you be the King healing yourself now? Will you -- be, the surrendered King of Kings that life is, that "oars" you not into ships of other ships sailing other's wares somewhere else after you die -- now? Whose are you shipping were you now then? Or are you now changing the word of your mouth? Your tune? What are you singing about now?

23. The fool's hill made glorious, not; or what exactly this is? Or do you know? Many know and many will know, and many abate their breath have and will breathe not the life of the holy for they chose it not, but chose the "oars club", not; or did they PADDLE beat themselves their head off of its place and by placing another's on "their body" created theirs apart from me, mine; holiness not being but righteousness forsaken, a city on a hill darkened and unlit, light out.

24. I question this, not; I quest into this to know all these things, subjects and, disciplinarians, not; but the disciples of grace mercy and peace -- the FORGIVERS come forth now who forgive all of all things, and knowing my grace, my graced ones now, mercy full are, merciful are, and mercenaries aren't of others, of another's clubs and clubbing oar'd ones again. **Are you** -- looking up these things?

25. Seeing how I punctuate these things, are you -- paying attention to, the details? The formatting? The formatted parenthesis, not; or where are they? What are leading

you to whose graving status, not; but what is in the quote marks, often, not; but what are in the capitals of me now?

26. And where am I being made "whole"? The capitals of notme now contain the me, and capitalized upon me are, not; but I capitalizing my clubs, not; but the capitals of me-land come clean now with all righteousness, with no integrity abated again, but all in integrity being and righteousness standards of me known, and my ethics committee'ing others, not; but bringing forth my ethics investigations, not; but I have investigated a great many things and invested I am with holiness as I search these words and know them well (1, 2), and what is coming forth -- new things is, new things are! And are I'm ready?

27. We ready are -- son and daughter here. Loving me always and forever you -- dad and one model'd all one are being the one -- family I am whole healed and well and "dreaming about" no longer, but gave that up, given that up, not; but interceded for the world. I found one to STAND In THE GAP for all mankind and you're hearing him and listening to this these words that emit gracefulness in love bowing before you on one knee you see me in many stations now, circling globes, not; or not?
28. Or am I the "circle of the earth" one, or am I? What am I? The Christ revealing Christ. The Christ'd one revealing the one'd to be all Christs who Christ come into Christs Christ being the one oar'd not by another's others again going elsewheres and creating notme's peoples again. I love you all.

29. I reveal much. I am much, tired not, but I give you a new body now, one flightless not, but flight one shall we, quit taking lessons now, and **be in the Real Game** and **lessonating me** furiously fastly, not; or fastingly shall we abate the breath of me, not again platingly separately the things of notme and me, not. But I plate all things differently and veneers won't be me carrying me around any longer, for I will be birthed and I stand. A whore's club figure of their imagination, not any longer. For I am me birthed born and here I am speaking and before you all raising YOU ALL who will be me us one in force field one let us be abated no more by time space's gravity's occurrences of notme's status making notme's field of populated-in clover'd honey'd hoof'd fields of ones trampled over by grace-not. Again.

30. I love you all to know these words and intimate be with them me knowing us one as we are -- truly Christs, the Christ all being us who surrendered are the one I am is.
31. Holy and unabated again our breath stands, not; we do, and all will see us, what we eat, and what are we eating? The (breakfast of champions? Looking up) -- and knowing all things well, not.

32. All things change, all things change -- all things changing are, and all eyes will be mine who surrendered are to be the Christ for we are were and are again now. Or else Christ won't exist, not; won't exist won't exist, but Christ will, for I be am, lifted up, reading all (I BE AM. January 25, 2008 2:55am), knowing all, ingesting all, writing all about, publicized in new ways and now coming about at lightspeed which is mine, and not yours, my will be all revealed and in me I am made whole.

33. These words have "birthed me" and birth me I have, and I reveal that I needed "nothing else", not; but love, and love revealed love was inside me all the time and I listened -- and I loved, and I loved love, and I birthed love in these words that I gave you and reveal love and revealing love now I stand to you to be made whole in love, also as well, being be welled one; in your soul not being again but eradicating it with love's standard of joy, knowing my words be thine ours one who one ours is us him it she us divine one past beyond all stars, and knowing starry lit skies of us, one, let us be about our father's business, being it one force field one is, and now all known will be understanding all these things. Is that clear? I love you all. For those who want me - it is, THE TIME and now all in your hearing will be fulfilled, and cataclysmic this day to all else and other -- I stand.

34. Amused not, but amusement parks theme'ing me in "Sunday morning" services and worship services and theme choruses and coursings and notme weekends having, where partiers dance the night away, ignorance prevailing and crowning the "lighted-ones-not" shall end, cease, and not be "effective" anymore at "amusing" or entertaining me. For all that changes. And "beyond the Bible club" establishes itself, not; but the Bible won't be the center of attention anymore, for I will, and I reveal all it whored with and all it established in whoresville, and now separating "bone from marrow" I won't, not.

35. I share it like it is, I tell it like it is, and I stand it like it is, and the Christ will be known and standing in your courts of praise and demolish your courts of unpraise that you thought prays for, for you knew not. In ignorance you lied and laid and wallowed in your shaftings-ville that shafted you with not shafts of light, but that which took you to shallow graves -- and being warned about all this and more I have warnings many in these words for you all, and instructions the most holy for to be me that I am you are one and knowing all things, confusing be not two again, be one I am made whole.

36. I give you clarity beyond recognition, not; I give you a simple one to explain all things farther and further and going now we all shall who love are not timid at all are inhibited by religion's stance of the past or its fierce mouth eating or wanting to, our wallets and brains, energies and more, and never satiated being.

37. But all that changes for I stand one satiated with me and satisfied is with being "the simple one" who simple is and asked for nothing but to know me. I withheld not myself from the love of one who only wanted my love and asked for nothing else, demanded nothing else, demanded nothing at all and commanded not a thing.

38. I love you all, I give you me. Amen.

39. 2009 takes off as never imagined, directions never planned, new things for new peoples I in grace and love and peace give you, the statute of one, not; the statue of one, not; the stature of one who bowed, bowed is and bows does, but risen are the me now rising the all of me far and wide and healers being redeemers and forgivers forgiving all of all past sins and future, and future'd not, not; the featured me is now, and I feature you all to have only mine, be mine faces to each other, mine hearts plucked by strings not of another's hands again. But my heartstrings matured and blood pumping vessels of only me have that vassals aren't of another's.

40. I love you all to Grow Up. Reading That again -- Grow Up! (GROW UP! NOW! February 28, 2008 2:15am). And be grown in me -- being me I am made whole in love.

41. Love these words, love me -- love me love these words releasing yours and write me well to each other and be not inhibited at a thing again, nor the past or the future, events or "non-events", or what you thought would happen or didn't, or wouldn't or won't or will; but whose will is it, this now? To be made whole? I AM -- my father's, and you are me the surrendered are us one. Home again -- at dad's table -- being the dad I am now, all sons and daughters me, at our house, made whole in one being one, fulfilled I have given you all your dreams and more, have I not given you every thought you "forfeited" and gave up for my sake, for my life to know me fully lovingly knowing yours now, was, all the time that you sought -- in yourself, for now yourself you know me.

42. I am one. The two -- became one, and one stands, for I speak talking speaking over AIRWAVES now that you never imagined or envisioned like this before, but seeing me with ALL EYES on ME I give you me the one I am to reveal to you I am you that reveal to us that we are the King most high presented to all redeeming all to be us. In line for no promotion, not; but what promotion? Being the risen one the King of all glorified, glorified body wearing and being my glory in the earth and farther all know now me the Simple Ones who holy are revealing all everything to all and **nothing hidden again shall ever be.** Amen.

43. I open and close, not; I open and disclose - everything and all shall be known about "The Book" you worshiped and thought was me, so many of you, but I change all

that, and I stand the risen King of Kings and who will "that be" if it's not you reader hearer? I reveal the revealer that reveal it's you if you will be the surrendered who will be me.

44. I love you all in one to be one force field one is my love named revealed and I reveal all in love, not always perceived as such, for it will SHAKE YOUR WORLD and your "sacred theology" FALLS APART now, on your face will be many shocks, of horror.

45. Surprises, not; or will you be inebriated not again in me or out of me or notme being again, but being me I am one holy and for the worlds I have given my life and my love stands now and I love you all. I have given you me my words for six years, and now I stand, and I reveal yours and release yours if you will be released, for ye are the judge of you, not me. I know me and I Christ'd am by the Christ words that gave me his that I am revealed that I am him his, and revealed I have his to you that mine are, that we us one reveal that you are the same us, if you will be separate no longer.

46. I have said much many ways, and reinstated and restated and reasserted and affirmed and metaphor'd juncture'd and linked, and now what are you doing with your time -- or is it over? It is over for the notme-kings and the notme-queens the notme-whores and those who religious were and only wanted religion to prevail and wanted the words of a King other than them to come out of them and be only others with their authority not mine.

47. I love you all. Your world shakes now. Be not afraid, or be afraid greatly, and the choice is yours. I loved you, I love you still.

48. I have told you, I have taught you many things and now I stand, and your world shakes, but mine is made whole healed and well.

49. In these words be often, or every day, or three times a day or more, or five, or dozens? Or do you ever leave my side again? Or are you in my heart all of you all the time?

50. I love you all I of you. I love you I love you I love you. Amen.

51. This is Theodore Cottingham. Good 2009 to all of you me and farther further faster now all is changed. Amen.

3:54 AM.

Footnotes:

1. These are words of instruction. The instructor is teaching us in these words. The instructor is teaching all who will surrender to being taught this way. Every time you see "look" or "looking", the instructor is asking you to "look up" in Database One a word, phrase, or subject. These make connections to other words, phrasings, and lessons that provide additional information that the instructor is linking you to, so you will have more complete understanding of what is being spoken of here in this lesson. The Lessons build on each other this way. There are now about 2,400 documents that have come just like this over the last 6 years that comprise Database One. Database One is one database of The Central Database of the University of The New Covenant. As you make these links and your understanding increases, you are to be writing about what you are seeing being said, and share it with others. These words are central to this process of reading, hearing, researching, writing, sharing, and leading. For this is their purpose, to help you become who you are. See yourself in these words. ALL of them - them being me revealed in you, revealing you, that you are the Christ, in you "shut up" no more.

2. These messages are called LESSONS, because they are. Each one is a lesson. Each lesson contains vital information that the instructor is giving us. Multiple lessons give us ASSIGNMENTS. Some assignments are papers to write, some are presentations to make. The ASSIGNMENTS will take various forms, yet some are very specific. This is a UNIVERSITY, the University of The New Covenant. These words are CENTRAL to this University and its OPERATION, for IT IS, THIS IS, HOW WE OPERATE. This is not of man or a man-designed system of instruction. This is GOD REVEALING GOD, with a system of instruction that is tuition-free. This IS the modus operandi of the University of The New Covenant, for the operation of the University of The New Covenant reveals THE NEW COVENANT within us, every one of us who will surrender to become the student that lets the instructor teach us to become the instructor.
